

# Cooking Up pAsswOrds!

Do you know how to cook up  
a strong password?

Different ingredients can help you make a  
strong password to protect your computer and  
all the stuff on it. Cook one up to find out how.

1 First, type your word:

daisy

2

MIX!

You get:

6aisy

3

Now choose what you want  
to make a password for:

Select ...

MyFace

WhoseTube

Messenger

Home Computer

School Computer

CO

NEXT

If you want to find out more about safe passwords talk to your school about getting Roar Educate's **Us Online V2** for Cooking Up Passwords and other fun activities.
